Dear Preschool Parents and Students,

We are so excited that you will be joining the Preschool Pup Pack at RCA this year! Preschool is such an exciting year; full of learning, playing, exploring, and growing! For lots of families this will be your child's first school experience. Thank you for entrusting us with your child. We are so excited that you have chosen Rossville Christian Academy to begin your school journey. In Preschool we strive to create a positive, fun, loving, and Christian learning environment.

During our time together we will discover and learn through play. We will begin to learn how to take care of ourselves and our property in a classroom setting. Much of our learning will include self-help skills and classroom order. We will learn social skills, strengthen fine motor skills, and begin academic skills that we will need to be Jr. Kindergarten ready. It will be a busy year of learning and growing.

In Preschool we believe in discovery through play and interactive learning. Discovery through play allows children to develop a love for learning and spark their curiosity to ask questions and develop a desire to learn more. Interactive learning is a more hands on, real-world approach. It encourages creative thinking and allows students to be an active part of their learning. We will accomplish this through songs, movement, stories, hands-on activities, and play.

We will be having a parent meeting on August the 3rd at 6 pm. Please bring all your child's school supplies on this day. Our Pup Pack's first day of school will be Monday, August 7th. It will be a half day. Please send your child with a spill-proof water bottle and snack. The rest of the week will be full days, so students will need light snack/spill-proof water bottle, as well as a lunch/drink (lunches can also be ordered from the cafeteria).

Thank you so much for your time and support. We believe that strong communication and support is vital in creating the very best experience for your child. Please email if you have any questions or concerns. Have an amazing summer and we cannot wait to see you in August!

Sincerely,

Mrs. Tanya Baker (tbaker@rossvillechristian.com)

Welcome to Jr. Kindergarten!

Dear Jr. Kindergarten Parents and Students,

We are so excited that you all will be joining the Jr. Kindergarten pack this year! Jr. Kindergarten is such an exciting year; full of learning, playing, exploring, and growing! For lots of families this will be your child's first school experience. Thank you for entrusting us with your child. We are so excited that you have chosen Rossville Christian Academy to begin your school journey. In Jr. Kindergarten, we strive to create a positive, fun, loving, and Christian learning environment.

During our time together we will learn to become independent learners and thinkers. We will learn to T-R-Y, try, try, try before asking for help and learn how to become expert problem solvers. We will learn self-help skills, social skills, strengthen fine motor skills and learn academic skills that we will need to be kindergarten ready. It will be a busy year of learning and growing.

In Jr. Kindergarten we believe in interactive learning and encouraging our students to play an active role in their learning throughout the school year. Interactive learning is a more hands-on, real-world approach. It pushes creative thinking and allows the students to be an active part of their learning. We will accomplish this through songs, movement, stories, hands-on activities, walks on campus, and play.

We will be having a Jr. Kindergarten parent meeting on August the 3rd at 6:00 pm. Please bring all your child's school supplies on this day. Our Little Wolves first day of school will be Monday, August 7th. It will be a half day. Please send your child with a drink and snack. The rest of the week will be full days, so students will need snacks/drinks, as well as a lunch/drink (lunches can also be ordered from the cafeteria).

Thank you so much for your time and support. We believe that strong communication and support is vital in creating the very best experience for your child. Please email if you have any questions or concerns. Have an amazing summer and we cannot wait to see you in August!

Sincerely,

Welcome to Sr. Kindergarten!

Dear Sr. Kindergarten Parents and Students,

We are thrilled that you all will be joining the Kindergarten Pack this year! Kindergarten is such an exciting year, full of learning, playing, and lots of exploring!

We feel that the transition to Kindergarten is such an important milestone for a child and his/her family. We want to create an incredible first experience that will mold a positive and eager attitude towards learning and school. We have provided a few ideas below that can help your child have a smooth transition into school and learning.

Personal Needs:

- Put on and take off coat
- Wash his/her hands
- Open lunch containers
- Be responsible for his/her belongings

Social Needs:

- Sit and listen to a story
- Follow 2-step directions
- Cooperate with other children (take turns)
- Sit for short periods of time

Academic Skills

- Hold a book upright and turn pages
- Know colors, shapes, and sizes
- Hold scissors and pencil correctly- Allow your child to practice with safety scissors.
- Recognize and write first name correctly (John and not JOHN)
- Practice recognizing uppercase and lowercase letters
- Last but not least... **READ, READ, READ**... studies show that there are so many benefits of reading to your child each day. It can make such a significant impact on the development of your child.

We will be having a Kindergarten parent meeting on August 3rd at 6:00 pm. Please bring all of your child's school supplies on this day. Our Little Wolves first day of school will be Monday, August 7th. It will be a half day. Please send your child with a drink and snack. The rest of the week will be full days, so students will need snacks/drinks, as well as a lunch/drink (lunches can also be ordered from the cafeteria).

Thank you so much for your time and support. We believe that strong communication and support is vital in creating the very best experience for your child. Have a fabulous summer and we cannot wait to see you in August!!

Sincerely, RCA Kindergarten Teachers (Ms. Kathleen Kelly & Ms. Ashlyn Williams)

Welcome to 1st Grade!

Dear 1st Grade Students and Parents,

Are you ready for an exciting year in 1st grade? We are! We can hardly wait for the new year to start. We will have tons of fun at school while learning more new things than you would ever imagine.

We hope you will have many great adventures this summer, but we would also like for you to take some time out to read, practice counting (1-100), and practice your handwriting: your first, middle, and last name, all the letters of the alphabet, and numbers (0-30). The Summer Bridge Activities workbook is a great tool for practicing these skills.

We will have a 1st grade parent meeting on August 3rd at 6:00 p.m. You can bring your school supplies that day. Please have your child's name or initials on crayons, colored pencils, pencils, and on the outside of everything else (supply box, folders, etc.). It is not necessary to put your name on Kleenex, paper towels, or Ziploc bags. Our first day of school will be Monday, August 7th. It will be a half-day. Please send a snack and a drink for that day. The rest of the week will be full days, so you will need a snack and a drink as well as a lunch and a drink (or you can order from the cafeteria).

1st grade Summer Reading List

During the first week of school, students will begin taking Accelerated Reader tests on books they have read over the summer. Some good books to read this summer include, but are not limited to... any books about Biscuit, Clifford, Curious George, Morris the Moose, Mittens, Llama Llama, Pete the Cat, Fly Guy, Fancy Nancy... any books by the authors Marc Brown, Syd Hoff, Dr. Seuss, Laura Numeroff, Peggy Parish, David McPhail...

Have a wonderful summer, and we look forward to seeing you in August!

Welcome to 2nd Grade!

Hi Upcoming 2nd graders,

We are so excited to have you in 2nd grade this fall! We are going to have so much fun learning new things and making great friends. You have many unique talents and strengths that will contribute to our class, and we look forward to growing together as the WolfPack family!

In 2nd grade we will continue developing reading and comprehension skills, work on fluency, and make connections between texts. **The best thing to do this summer is to have your child read for 15-20 minutes daily; have them practice reading independently to themselves and also aloud to you (or a sibling or pet!).** Some good books to read include, but are not limited to...Cam Jansen series, Amelia Bedelia books, Nate the Great books, Frog & Toad books, The A-Z Mysteries series, Junie B. Jones series, The Magic Tree House series, Bad Kitty books, Marley the Dog books, Madeline books, and If You Give a Mouse...books.

Also, please be working on 1-digit addition and subtraction facts. Fact fluency will help you with the beginning of our math journey!

We will have a 2nd grade parent meeting on August 3rd at 6:00 p.m. You can bring your school supplies to that meeting. Our first day of school will be Monday, August 7th. It will be a half-day. Please send a snack and a drink for that day. The rest of the week will be full days, so you will need a light snack and a drink, as well as a lunch and a drink (or you can order from the cafeteria).

We look forward to seeing you in August!

Welcome to 3rd Grade!

We are so excited for the 2023-2024 school year and cannot wait to welcome your kiddos into our classrooms! Third grade is a jam-packed year of fun and tackling some very important skills! To best prepare your learner for 3rd grade, we have compiled a list of key skills to practice over the summer.

Math: addition and subtraction fact fluency, 2-3 digit addition and subtraction, addition and subtraction word problems, telling time, and counting money are some great skills to work on. **Writing:** A great idea to help them practice their writing skills would be to give them a daily question/prompt, and have them write 3-4 complete sentences answering that question. We also recommend reading for 15-20 minutes daily to help enhance their fluency and comprehension skills.

Please choose one of the following books from the list below to read this summer. When we return to school in August, we will be completing an in-class activity with their chosen book!

3rd Grade Summer Reading List

- *Mercy Watson to the Rescue* by Kate DiCamillo (Lexile 450L LG; AR Level 2.7)
- *How to be Cool in Third Grade* by Betsey Duffey (Lexile 600L LG; AR level 3.5)
- *Horrible Harry Moves Up To Third Grade* by Suzy Kline (Lexile 460L; AR Level 3.2)
- *The Talented Clementine* by Sara Pennypacker (Lexile 600L LG; AR Level 4.0)

We will have a 3rd grade parent meeting on August 3rd at 6:00 p.m. You can bring your school supplies to that meeting. Our first day of school will be Monday, August 7th. It will be a half-day. Please send a snack and a drink for that day. The rest of the week will be full days, so you will need a light snack and a drink, as well as a lunch and a drink (or you can order from the cafeteria).

Have a great summer! We look forward to getting to know you and helping you continue develop into the person God created you to be!

Welcome to 4th Grade!

Dear RCA Fourth Grade Families:

We can't wait to be your child's teacher for the next school year! We hope that you have a wonderful summer and create awesome memories! We will be praying for your child and your family this summer. Enjoy your time together! It really does go fast!

Summer Reading:

Students choose one of the three book options below. A report will be turned in the first day of school; see instructions below.

- **Tales of a Fourth Grade Nothing** by Judy Blume is a light and funny fiction story with great characters.
- **Charlotte's Web** is a classic story of beloved animals by E.B. White.
- A book from the **I Survived** series (not the graphic novel, it must be a chapter book).

Report directions: Label your paper with your name, book title, and author. Please show us your neatest handwriting. Please bring your chapter summaries and book report (using the form linked below) to school on the first day.

1. Write a brief summary of each chapter in complete sentences.
2. Once finished reading, complete the book report form linked [here](#).

We highly suggest enrolling in a summer reading program at a local library. Please make reading a daily habit. Parents: Remember, fourth graders still love to be read to! Your children are never too old to listen as you read loud; it builds fluency, vocabulary, and love of story!

Math Practice:

It is essential that students come to 4th grade proficient in their addition, subtraction, and 0-9 multiplication facts. If they know their facts, then they can work on speed. In class this year, fourth graders will add and subtract large numbers with regrouping. We will also build on the basic multiplication facts when we multiply large numbers by one or two digit numbers with regrouping. We will divide in the second semester. Fact fluency is vital to success with larger, more complex math problems. To practice, students can use math apps, flashcards, games, math fact songs, memorization, etc. Mix it up, keep it regular, and maybe even fun!

We will look forward to meeting you in August!

Thank you,

Mrs. Nelms & Mrs. Perry
